

AGREEMENT

I understand that the Ministry Formation Program for Catholic Deaf Adults requires me to respect the following policies:

- Be present at class each month with **one** absence for a good reason allowed during each academic year (Permissions for exceptional situations must be given by the Director of the MFP.) The course you miss will need to be made up later.
- Meet with my mentor and spiritual guide **six** times during each year in the MFP.
- The full cost per student for one academic year is \$3,500 per student. Students are responsible for paying \$1,150 (estimated – depends on what Marytown charges) per academic year.

The student may pay for this in either of two ways:

1) Pay the full amount of \$1,150 before September 1st for the academic year of six weekends

Or

2) Pay \$575 before September 1st for the first 3 weekends and \$575 before January 1st for the last 3 weekends

Note: If a student misses a weekend they are still responsible for paying the cost of the missed weekend

- Inform the MFP Program Director **two weeks before** the next MFP class whenever you plan to be absent.

If your diocese or parish is paying part or all of the \$1,150 annually then you need to make an agreement with your diocese/parish on your contributed services to them either during the program or after completing the program.

I am ready to make these commitments that the Ministry Formation Program requires. These will be my top priority. I am also willing to undertake a journey into spiritual growth with the help of my mentor, spiritual guide, my classmates, and the MFP training program staff members.
